

John Ellis Hanes Jr.

July 17, 1953 - May 30, 2024

John Ellis Hanes Jr., a cherished community member and dedicated public servant, passed away on May 30th, 2024, at his home in Seaford, DE. Born on July 17, 1953, in Cambridge, MD, to the late John Hanes and Mary Louise Hanes, John lived a life full of love and service. He married Polly Diefenderfer on June 16, 1973, and together they shared many wonderful years. For the majority of his life, John resided in Oxford, MD, where he made a significant impact on those around him.

John was a lifetime member of the Oxford Fire Company, where he devoted countless hours to serving his community. His commitment to public service extended to his roles on the Talbot County EMS advisory board and as the treasurer for the Talbot County Fire and Rescue Association. His passion for helping others was evident in everything he did, and his dedication to these organizations left a lasting legacy. In addition to his public service, John worked at Safeway for 20 years starting as a stock boy and working his way up to store manager. He was always a pet lover and expressed this through operating his own kennel, Tricrown Inn, after he left Safeway.

Preceded in death by his parents and his sisters Diane Frampton and Bonnie Harrison, John leaves behind a loving family. He is survived by his beloved wife, Polly, his son John Hanes (Leah) and their kids Johanna and Josephine and son Matthew Hanes (Brooks) and their kids Olivia and Eli, and many nieces and nephews. John's presence will be deeply missed by his family, friends, and community, but his memory will live on through the many lives he

touched and the contributions he made.

A celebration of life will be held at the Oxford Volunteer Fire Department on Saturday June 15, 2024 from 12 PM - 2 PM.

“ Polly, my dogs join me in sending love and condolences - you know, there are times when we would not have made it through life without you and John. May he rest in peace and rise in glory, and may his memory be eternal.

“ Dear Polly,
Am so sorry to hear of John's passing. I saw the sign outside the Oxford firehouse that said "Remember John Hanes" and my heart sank when I realized it was your John. I know he and my mom are probably swapping old Safeway stories and having a big time. My condolences to your family as well. He was a good guy. Take care of yourself. Prayers to all.

“ John was one of the founders of the youth recreational hockey league in Easton and taught hundreds of kids how to play the game the right way. He made sure his players learned the skills required to improve their game, exhibited good sportsmanship, and had fun. It was a pleasure to coach with him and play against him in the adult league on weekends. His smile was always the brightest among the opposing players in the handshake line after the game, win or lose. God blessed us with this gentle giant who gave so much to others in a variety of ways. Heaven just admitted a fine fellow who earned his admission many times over. It was an honor to share a locker room and the love of the game with you, coach.

“ Sending prayers for peace of mind to the entire family, on John's
passing. John and Polly cared for my three dogs for several years at
Tri Crown, and we became very close. I will never forget when my
boyfriend died suddenly. I was informed by phone at the end of the
day, and in a panic called the kennel to see if there was time to run
the dogs over, before driving to Delaware to be with his family. John
told me that he would stay as long as needed for me to bring the
dogs; he also offered to come and pick the dogs up. It was a simple
act of kindness and generosity at a very confusing time. The world
was a kinder place with John in it. Deepest condolences.

“ It’s been close to 40 years since I’ve seen John. I worked at Easton Safeway & he was our Assistant Manager there, under Manager Ken Angell. Kenny & I were married for 34 years until he passed last year. John was a quiet & unassuming man who was always in motion. He & Kenny are probably talking over the good (& sometimes crazy) times at Safeway, while watching over their loved ones here on earth. RIP John.
