“ Most would think I'd be well over your passing Pop, there's not A DAY that goes by that I don't think of you. I didn't realize how much wisdom you passed on to me. I've never experienced heartbreak and pain the way I do almost daily. I try to remember all the life lessons you taught me. Most people tell me how you left us was peaceful, I just wish I had the opportunity to say goodbye, that hurts the most. I wish I could have a 5-minute conversation with you! I love you Pop please keep watch over our family and me, I miss you!
