John donated his time and his talents to many of the charities in and around Kent Island. He gave many plane rides to people winning auctions at Chesapeake Cats and Dogs. He was always smiling and upbeat. Thanks again John. What a caring Christian!

“ John Kirby was a member of the Kent Island Lions Club for over 25 years. He served as club president and for many years a club secretary. He was Chairman for Wings and Wheels for Sight held at the Bay Bridge Airport for several years. One of his favorite service projects was screening the vision of pre-school children. He was a valued Lion serving his fellow man and will be sorely missed.

To the family: I worked with Mr. John very close when I worked in the County Commissioners's Office and he was Manager at the Bay Bridge Airport. He was a great man and was so very helpful to me. He will surely be missed by many and his love for this County was to the highest. My prayers and blessings are with the family at this time. Mr. John you were a great gentleman and I was so honored to have known you. RIP. Lynda Palmatary, Centreville.

“ Will miss my “buddy” tremendously. Many, many memories made and life lessons learned when working for him at Bay Bridge Airport. He was certainly one of a kind and the aviation community has lost an icon. Sending my love to Evelyn, Ann and Laura. He is now soaring with the eagles.
