

John E. Larrimore

January 15, 1941 - February 3, 2014

John E. “John Eddy” Larrimore, 73, of Centreville, MD, died on February 3, 2014, at the Anne Arundel Medical Center.

Born in Chestertown, MD, on January 15, 1941, he was the son of the late Robert L. Larrimore and Mary E. Middleton Larrimore. He attended Centreville High School. Later, he met the former Phyllis Anderson, whom he married in March 1962. Mr. Larrimore was raised on Island Creek Farm, which he later came to own and operate, and where he raised his own family. He also held a variety of other jobs, including working as a mechanic at International Harvester in Chestertown, MD, in plumbing and electric with Alan Coppage, as an equipment operator at Kent Sanitation and for the Queen Anne’s County Department Parks and Recreation.

Mr. Larrimore enjoyed hunting and fishing, but his greatest loves were his family and his farm, where he spent many hours sitting on his porch watching the wildlife.

He is survived by his children, Vicky Coppage and her husband, David, and Debbie Toth and her husband, Brian, both of Centreville, MD; and grandchildren: Kendall and Jordan Coppage and Madelyn and Riley Toth. He was preceded in death by his wife, Phyllis J. Larrimore, who died in 1991.

A funeral service will be held at 11 a.m. on Friday, February 7 at the Fellows, Helfenbein & Newnam Funeral Home, P. A. in Centreville, MD, where friends may visit with the family on Thursday from 6-8 p.m. Burial will follow at Chesterfield Cemetery in Centreville, MD.

Memorial contributions may be made to the charity of one's choice.

Dear Friends: Our deepest sympathy and prayers are with you in the loss of your father. He and I had a good time when we both were in Corsica Hills about three years ago. I can see him now coming down the hall going to therapy and he would say "Time to get up for your routine". We know the memories will always be always be in our hearts of him and God will give you the strength to face each new day. Blessings to all of you and God Bless, Lynda and Gene
