“ John Legates was a fine person with inner strength. I always enjoyed his company and being with him on visits after I moved from the area.

He enjoyed working on the farm and at the canning company owned by his father John S. Legates, who was once a First Selectman of Preston.

I was John L Legates' second cousin, but John called me "Uncle Wayne." This indicated the close friendship we had during his life. He had health challenges, but he was a brave man with a strong faith in God. I will miss him. I wish I could be there.
