“ *To the entire Warner family,*

So sorry to hear about Uncle Jiles. Take comfort in knowing that he left behind a treasure chest full of precious memories that we can all cherish forever. While his physical presence may have been taken from us, trust me, he will never be forgotten. His candle burned out long before his memory ever will. He will always hold a special place in our heart. With deepest sympathy.

So sorry to hear of Uncle Jiles' passing. He may not have been blood related but he will always be my Uncle. I have so many memories with Uncle Jiles and Aunt Bernice. They were great friends to my mom and dad and also to my mom and step-dad. We shared many good times, vacations, Rock Hall fish fry's and too many to mention here. You are all in my thoughts and prayers. With love and sympathy,
