“ *Carolyn, I am glad I got to spend a little time with both of you this past year . It was a rough one for both of you, but you showed love and dedication to each other thru thick and thin. I was very much in awe. John expressed his love for his family a few times to me and the gleam in his eye when he spoke of his grandchildren was heartwarming.  
His many talents and skill at very detailed crafts will leave lasting proof of his love for his home, wife and family. Rest in Peace, John.*
