“ *What can I say about John? You were there for my mom when she needed someone the most. But what we found is that you were more than just "someone". We found you to be a great man: loving, kind and true. We love you and will miss you. Now that you're in a better place, I need you to keep an eye on mom when she cheats at Monopoly or Uno! And, oh, by the way, say "Hi" to John Wayne for us.*
