“ *Please accept my deepest sympathy and regrets in the passing of John. I was shocked as were many of our co-workers. I worked with John at Interface and Mohawk and had a few conversations with him after Mohawk. He was always someone I could talk to and was a clearing house for any issues that were at hand. I am so shocked and saddened by his passing.*

May he always be remembered for his sense of humor and quick wit.

My prayers are with you and for John.

Sincerely,

Stephen Black##imported-begin##Steve Black##imported-end##

“ I have incredibly fond memories of John when he was growing up in NJ and PA and our families spent major holidays together. I always had my eye on Debbie, but it was with John that I spent time with, goofing around, playing, exploring and finding ways to torment our sisters.
I am thankful for our time together and the childhood memories that it created.
John, may God bless you. You will be missed.

“ For the four years I lived in Annapolis, John was the next-door neighbor who quietly helped out if needed, with my dog; with warnings of pending difficulties like security; with something amiss in my yard. He was frequently seen in town with Judi enjoying the great little restaurants and pubs of Eastport and Annapolis. Its clear from his friends' and co-workers' comments that he had a great sense of humor and was valued for his leadership and interpersonal skills. My deepest condolences to Judi and to John's family and friends for their loss of such a fine man.##imported-begin##Sue Larson##imported-end##

He will be missed by many of us who so enjoyed our boating and afternoon cocktails with John in our little Annapolis paradise. Judy, his constant companion and mate was always there to add beauty and serenity. John, you will be missed.##imported-begin##Peter LaForce##imported-end##
