

## Josef Evangeline Eynck

November 16, 1994 - August 9, 2020

Josef Evangeline Eynck of Queenstown, Maryland passed away on August 9, 2020 in Myrtle Beach, South Carolina. Josef was born on November 16, 1994 to David and Jeanette (Matiatos) Eynck. He was 25 years old.

Josef leaves behind his five siblings Ian, Rosemary, Lillian, Elias, and Elena as well as his cousins, aunts and uncles.

Josef graduated from Flagler College with a Bachelors Degree in Business with a concentration in law. He graduated from The Gunston School in 2013 where he forged lifelong friendships with faculty and students alike.

Josef was passionate about flying, as he worked as a Market Analyst at Jet Edge Partners in Annapolis. In his short nine month employment at Jet Edge he immediately made an impact and established a worldwide name for himself in the jet industry as someone who was going to be very successful.

His family and those who knew him best knew Josef was a free spirit and could light up a room with his smile. Josef made an immediate impact with whatever he did and whoever he was with. He loved to travel, could make friends easily and was always up for an adventure. Josef got his small aircraft pilot license and he was also scuba certified by PADI as a scuba instructor.

Josef loved life and the world lost an awesome guy but the heavenly realms gained him where he is at peace resting in the arms of Jesus.

Josef was a friend to many and brought joy to so many people.

To know Josef was to have been blessed...

“ Mary, Sean and Erin Condonmary12@gmail.com remember back in 2004 or thereabouts when Silver Swan was a restaurant open to the public and a lot of Safe Harbor folks were there enjoying a lovely night on the Bay. Sean, Erin and I saw some kids on the pier so we went to see what was going on. Your Joe was picking up sea nettles over and over. The kids thought it was hilarious, and brave of him, to be doing that. Occasionally, he would yell "ouch" when he would get stung. Prayers and hugs to all of you.....
