

Joseph Brown

May 17, 1957 - August 17, 2023

Joseph Brown peacefully went home to be with the Lord while surrounded by family. He was 66 years old.

The son of Mary Belle Arnold of Davisville, WV, and Otis Amos Brown of Stevensville, MD, he was born in Baltimore on May 17, 1957, and soon after moved to Grasonville where he grew up. He had many jobs over the years, including building boats, working as a waterman, an electrician, a limousine driver, and a mechanic. He had his own business in Millington called General Auto where he repaired vehicles doing everything from mechanics to body and fender. However, he worked the longest as a rollback tow truck driver. He enjoyed the challenge of getting cars and trucks out of difficult situations, and he was very good at it.

He would always stop to help others, even if it meant going out of his way. He was always willing to lend a hand. He was a kind and compassionate person who always put others before himself. Passionate about cars, he especially liked older Mustangs and Volvos. He met the love of his life, Melanie, and they were married on November 30, 1985.

He is survived by his wife, Melanie Brown; daughters, Deena Hynson, Kathy Jo Knierim, Jaqui Niezek; son, Joey Brown; nine grandchildren, Quentin, Aubrey, Connor, Katie-Ann, Brady, Liam, Mason, Shelby, and Rose; brother,

Danny Brown; and sister, Penny Russell. He was preceded in death by his daughter, Jessica White; brothers, Otis "Buddy" Brown and Michael Brown; and sister, Susie Sprague.

“ Joe was a person of quiet integrity and uncompromising character who sought out the harder challenges in life and excelled at them simply because he just worked so hard.

He represented the best qualities of the people of the Eastern Shore who are known for being friendly, hardworking, and always there to help.

Forevermore when I see a tow-truck driver or other professional helping a person in need I will think of Joe as the quiet, unassuming person he was who left the World in a better place than he entered it simply because he was just such a decent person.

Clearly not all the Good die young, and if Joe had died at the theoretical maximum of human life (120) then that would still have been to soon for us all to lose our Joe.

Rest in Peace my friend - Your work is done. Someone else can take the calls now.
