“ Joe - I cannot wrap my head around you leaving so suddenly. We shared a conversation only last Saturday at our favorite hang-out where you and Adele are faithful supporters of Brian, Mary, Neal and PJ. Your kindness and generosity are beyond compare. Your laugh and dry wit always make me crack up. I speak of you in present tense because I know you are not truly gone. You are still here in spirit. Don't worry about Adele; we will all take care of her and love her as you have lovingly for the last 16 years. I am honored to sing for you at your celebration of life and celebration of entering God's kingdom. I know for certain sure, you will be driving through the pearly gates of Heaven in on an Old' 55 Chevy. God bless you Joe. Adele - I love you and am here for you always. I am praying you have comfort and peace. Thank you for giving me the honor to sing at Joe's service. God bless you and huge hugs, Mary-Margaret
