What a lovely tribute to a man with the million dollar smile. I remember a young Joe--a devoted husband and loving father. I can still enjoy him playing duck-duck Goose with some delighted children and laughing with abandon...

Patty, my friend, Becky, and Joe Jr. (and Moe),

Our hearts are breaking thinking about you

There are no words to express the sorrow we are feeling from afar.

May you find comfort in this thought, "When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight."
