January 3, 1943 - June 16, 2017

EASTON: Joseph M. English, III, 74, died June 16th, at the University of Maryland Baltimore Washington Medical Center in Glen Burnie, Maryland. Dr. English was a well-loved pediatrician in the D.C., Maryland and Virginia area for 34 years. He retired in 2008 and moved to Easton, Maryland. His diagnostic skills, expertise, and political conversations were valued greatly. In addition to his medical practice, Dr. English served as an assistant professor at the Georgetown University Medical Center. He was active in Catholic Relief Services during the turmoil in Southeast Asia in the 1970's, hosting families from Cambodia, Laos and Vietnam. Dr. English was active in his local parishes (Holy Redeemer in Kensington, St. Peter's in Olney and Sts. Peter and Paul in Easton). He taught Pre-Cana classes for couples in preparation for marriage, lectured on behalf of Right to Life, and coached little league baseball teams. In retirement he volunteered for the St. Vincent DePaul Society in Easton.

Dr. English was born in Philadelphia in 1943 to Dorothea Jackel English and Joseph Martin English, Jr. The family moved to DC in 1944 for his father to accept a job with the FBI. Dr. English graduated from Gonzaga College High School and received his Bachelor of Science degree in 1964 from Georgetown University. He was able to pay his way through Georgetown University medical school while working during the summer at the FBI. He received his Medical Degree in 1968. He received the Lange Book Award for outstanding academic proficiency in 1966, and was selected to Alpha Omega

Alpha Honor Medical Society in 1967. Dr. English did his internship at Johns Hopkins Hospital and his residency in Pediatrics at Bethesda Naval Hospital. The family lived in Naples, Italy, from 1971-74 where Dr. English served as a physician in the Navy and achieved the rank of Lt. Commander.

Dr. English and Rose Marie Delaney were married in 1965 and had six children; Catherine Elizabeth (deceased), Joseph Martin IV, Teresa Jeanne, Michael Walter (wife Eildwinia), Stephen Thomas (deceased), and Nicholas William (wife Christina). He is survived by his wife Rose Marie, and would have celebrated 52 years of marriage on July 3, 2017. He is also survived by four of their six children, 12 grandchildren; Matina, Patrick, William, Shaymus, Dominika, Gabriel, Stephen, Michael, Shante, Austin (Amari), Ebony, Joshua, and two great grandchildren, Aubrey and another girl expected in October. He is also survived by his sister, Jeanne Sullivan (Peter) and brother, Thomas F. English (Peggy).

One of his nephews, Sgt. Thomas Sullivan, served with honor in the Marines in Iraq. His health was compromised from exposure to the Burn Pits in Iraq and he passed away in 2009. Research is being done to help our servicemen who return home similarly afflicted. “ *I was focused on a family loss and surgery in 2017 and so missed this important news. I think of Dr. English frequently so Googled him and found obituary. I am so sorry the world has lost his very human and loving wisdom. He cared for my three children, Jack, Harry and Ellen Noble and frequently offered bonus advisories for my marriage and family. They ate many popsicles and cups of coffee for sore throats and coughs. Few doctors have his healing country-doctor manner mixed with stellar diagnostic skills. Sending kind wishes to all the family. We will not forget his guiding light. -Julie Noble*

“ Dear Rose Marie and family,  
When Joe Godbout send your Joe's obituary from the Washington Post, we were traveling home from Missouri. How sad it made me feel for your loss. Joe was one of the nicest, kindest, smartest boys in our St. Bernadette's Class of 1956. He was at one of our reunion luncheons at Clyde's in Rockville just a few years ago. We were pleased he'd traveled from Easton to be with us that day. I also remember your being with Joe at a reunion at St. Bernadette's in Silver Spring, before you had grandchildren! You and your family will remain in my prayers. I know you will miss this sweet man terribly.
