“ To all those that Joe left behind. I have no words to truly express how I feel...He was a good person whom everyone liked alt...I have known Joe for a long time and know that he will be missed for many many years to come. I am not going to say hang in there and pray to God for comfort because I know that it is easier said than done. But know God is there to talk to when you just need someone to listen..... one day you will see joe again and he will explain what happened and why...Until then hold tight to each other and know that he loved you all.
You will be greatly missed Joe.....Pinky
