“ *This is a great picture Joe! You had a hunger for life and living it to the fullest! Always ready for a new adventure, we did alot of road-running, music blasting! We worked hard, played alot of music, laughed and cried...Genuine, positive, down-to-earth, a man of integrity, loyalty and morals. I am comforted in knowing you and Pop will be watching over us. Till we meet again,, Love ya Brother*

“ My big brother was a huge light in my life. He worked with me on our farm for many years. We had so many great times, shared so many laughs. Today(2 days without him) I put my feet in my brothers work boots. I told him, “Brother, I’m feeling weak today and I’m gonna need you to carry me along.” I walked a few miles with my brother. I felt his spirit and heard his laugh. Oh how I miss him. My heart is broken but my spirit is rejoicing because I know where he is and that he’s watching over me.
