“ *Joey Shortall, a family man, a friend for life. I have known Joey for many years and he never changed. Happy go lucky with the best grin ever. Never saw him with out a smile. I like many others, never thought we would be writing this for you. This page is not big enough to express the deepest sympathy we send to your family and friends. There are no words of comfort for now but I pray to God that the memories everyone of us hold within our hearts will help ease the pain someday. We know you lived life to the fullest and are doing the same in heaven. Joey, you are sorely missed by so many. I know when your loved ones, read these tributes they will surely know how much you were loved. May God embrace all of you during this very difficult time. RIP my friend, until we meet again*

“ I am so saddened to hear that Joey has passed. I remember what a great friend he was to me and my husband many years ago. All the great trips we all took to the beach together. We lost touch over the years and I just recently was able to see and talk to him and Donna again in August at the Old St. Joseph's Joust. An event that was very close to his heart for many years. I pray for Donna and his children to find strength in this difficult time. We will miss you Joey, your humor and happy go lucky attitude was so infectious. I am happy that our children were able to grow up together for awhile. Your in Gods arms now.

Thinking of Joey's family at this most heart breaking time. May you find peace and comfort in knowing he is no longer suffering or in pain. May God wrap his arms around each and everyone of you and give you strength to get through this time. Love, prayers and hugs to all. Joey was a wonderful man I remember his so well back in the jousting days. Sweet sweet guy. Had a great family to be around. One thing for sure we will see him again someday.
