“ *My Mommy was the best mommy. I love her so much with all my heart and always will. She was so kind, gentle, loving, caring, giving and thoughtful to all. She was the most beautiful person I know. She never asked for anything but love. She just wanted people to love one another and take care of each other. She never liked to say "Good Bye" because that sounded to final but rather "See Ya" because she hoped to see ya soon. She said to always tell people that you love them because you never know if you will have another chance to let them know. I will cherish everything you have taught me, showed me, and shared with me. I will miss your hugs and kisses, your laugh, your smile and your support. Words can not express all that I feel, I miss you so very much. Mommy, I love you and you are always with me and David in our hearts. Mom I love you.*

“ *When I think of your Mom, one of the things that comes to mind first was her laugh. She could get you laughing just listening to her without knowing what got her going in the first place. She was truly a gift to all who knew her.*

“ Dear David and Lisa,
I was sorry to read about your Mom. Miss Jo was a wonderful "mother" to all at Wye that knew her. She always had a smile and asked "how are you hon?" when we saw her at work. Her quiet ways and genuine love for those that knew her will be missed.
Love,
Charlene

“ *I worked with Momma Jo as we called her at Aspen Wye River Conference Center, What I remember best about Momma Jo is no matter what she always had a smile on her face. What a beautiful smile it was too. I loved her and she loved all of us at work as if we were really her kids. David and Lisa were very lucky to have a mom like her. I also recall many trips past her home and she would be out in her garden and I would blow the horn to her and she would tell me the next day that she heard me or she knew it was me blowing past her house. I can honestly say Momma Jo will be missed.*
