“ Joy and I were extremely good friends in Junior High School. We loved to sing together in music class. Not sure Mrs. Selby love it! We were good friends and I have a lot of fond memories. May she rest in peace.

*So sorry for your loss. Prayers for healing and love sent your way. Though I never got the pleasure of meeting you I know you were the best type of person because I was fortunate enough to meet and know your daughter. She could have only learned to be such a great person from you. For that I am grateful and hope you find peace in the arms of God.*
