“ *Joyce and i enjoyed reminiscing about our childhood together growing up in Woolford and beyond. We had fun times playing in our yard, swimming, weekend boating, riding horses during vacation in Gettysburg, Teddy driving us to Cambridge, entertaining Aunt Mary at the piano, enjoying fresh peaches from Uncle Miles, etc. Forward to Joyce's and Jim's marriage and their happy parenting, working together at ESHC, and more throughout the years until now. I will miss my dear cousin and always remember her , and her family with love. She adored her husband, children, and grandchildren , families, and many friends. Joyce was beautiful inside and out, and will be greatly missed.*
