

Joyce F. Burkhardt

August 11, 1939 - January 21, 2021

On January 21, 2021, Joyce Faye Burkhardt took her final breath resting peacefully while listening to music at Talbot Hospice House. Born on August 11, 1939, Faye was raised to value family, hard work, honesty, and common sense. As an adult, she embraced those traits. Faye was a straight shooter, you never needed to question where you stood; she strived to make sure friends and family knew they were loved, both in her words and in her actions. She was a dedicated daughter, sister, mother, grandmother, aunt, cousin, and friend. She will be remembered by many and missed by all.

Drawn to their loyalty and unconditional love, Faye was a passionate lover of animals. This love was reciprocated by the many animals she cared for throughout her life, most recently her black lab Josie, and her cockatiel, Sam. Faye's other great passion was music. While she was fond of many different genres of music, Elvis Presley and the country classics were always in heavy rotation. A lover of live music, Faye could often be found on weekends listening to her favorite local group, The Jones Boys. Even during her last few weeks, she found comfort in music, always tapping her toes to her favorite songs.

Faye is survived by her sister, Alice, her sister-in-law, Dawn, her son, Brad, her daughter-in-law, Nori, her grandchildren, Sophia, Jonas, and Lucas, and a multitude of extended family and friends. In lieu of flowers, Faye requested that donations be made to Talbot Humane in her memory. In accordance with her wishes, there will be no services at this time.
