“ *Dear Ed and family, The news of Joyce's passing arrived to us thru our friends in Cambridge and since we have no current address of yours, we have to write here. We are so sorry and send our deepest sympathy to you and your family. Although we haven't had contact in a long while, we often thought and spoke of you and Joyce when we visited our friends in Cambridge. We have very fond memories of our visit with you both in your house in Leeds Landing Circle. Are you still living there? We hope you are well and wish you much strength to get thru this holiday season without Joyce. But we are sure your family will be a great support to you.*

Sincerely, Jochen and Terry Weil, Vogelsbergstr. 10, 61381 Friedrichsdorf, Germany.

PS. Also deepest regards and sympathy from Erika and Theo Hansen.

“ Ed and family, Adrian and I were so sorry to hear of Joyce's passing. We are sure it was hard to let go but now she is out of her suffering and in a much better place. May the wonderful memories you all shared together help to ease the pain you are feeling now. May God bless you and your family and know that you are all in our thoughts and prayers. I love you Momma Joyce. May you rest in peace God's dear angel. Thank you for the loving memories with your dear family as I have always considered my "second family". Terri and I will always remain close as we have for so many years for we are indeed there for each other thick and thin. My love also goes out to Daddy Daffin, Charlie and Debbie and their families. I am always here for you all. We have an angel to pray to and I am sure Momma Joyce will guide us. Hugs to all!
