“ Shelly, we are so sad to hear of the passing of your beloved mother. As children we remember her and your grandmother, Such nice people. I know you will miss her but you do have her love and memories in your heart. There is much to say. I remember the last time I saw her here in Easton at the H&G and she was so nice to us. The tears will flow, but love heals. Take Care, Remember the Good, and let God take care of things. We will forever love you and remember our childhoods together. XXX

Joyce was such a wonderful lady. I will always remember her for her many acts of kindness and annual Poinsettias at Christmas. She never forgot! My heart felt sympathy goes out to the family.
