Joyce you were small in size but you made up for it in your outgoing personality. Glad we had some good conversations over the last couple of years. Your dash was full.

“ I was in grade school with Joyce at Cheverly Tuxedo and then at Riverdale Baptist. She was always the prettiest girl in school with those long braids her mom did everyone day. I have been worried about her health for a long time. I'm sorry to find out that she passed. I'll always remember her for the bright soul that she was. God bless you. Carol Pack Urban

“ Sat next to Joyce in middle school and high school for three years. Had a lot of fun in class on otherwise boring school day's. Took drivers Ed together in the same old Ford Pinto. I remember her and Pam Kessinger were inseparable. She was very smart and inspired me to do better and get good grades. She held herself to high standards. I'm going to miss her.

To Joyce's family and close friends. I am so sorry that she has been lost to us all at such a young age. I read through your thoughts and memories and realize that she was not only kind and funny with her work group, but with everyone she touched. She was a wonderful and genuine lady and she will be missed by us all. I can still hear her laugh.
