“ Judy was the most amazing woman I've ever met. She was always there for me for giving me advice and helping me through life. I'll miss her smile and hugs. She gave a birthday card for a sister, she said she dropped the in law part a long time ago. I feel like I lost a sister and a best friend. Life will never be the same I'll cherish all the memories and great times we spent together. All my love to Cary, Wayne and Russell and their families.

“ *My memories of Judy were always fun & positive! The last was June of 2012. We, Joe, Connor, Lexi & I drove across the country to visit family. We were welcomed to park our motor home in the yard, for 1 week!! Very daring of them! The week was filled with quad riding for the kids, Rehoboth Beach, a dog that got lost & tics from it, fireworks & visiting with lots of family ♡ That's what Judy loved, her family! Every 1 of them! At that time, I was having a difficult time healing from a surgery but everyday we talked and had conversations she brought me peace & positivity! I will Never forget her for that!! Carey not only will you miss her but she will miss you. Your caring, loving soul is so comforting. No wonder the two of you were together. I will always look up to you! I know during this difficult loss Aunt Judy would be saying, enjoy all my memories & know I will always be looking over you ♡ with all our love Joe, Renee, Connor & Lexi ♡♡♡*

“ Sincere condolences for Judy to the family. She was the type of person you never forget. She touched everyone she knew. What a loving tribute to leave behind. She will be in your hearts always and ours. Such an angel as she is now performing her angelic duties with Jesus in heaven. She will be missed here on earth, but we know she will be watching over her family and anybody else who needs her. God bless the ones she she leaves behind but she won't be gone as long as she's in our hearts.
