“ *I met Mrs. Judy many years ago through my work. We reconnected when she would come to the BikeFests in Rock Hall. She always remembered me and would come find me where ever I was working that day. I imagine she was the life of every party as I watched her dance to EASTROC. Every....single....song....every...single...time! She loved to dance and laugh!! May she be dancing with the angels and may her family have peace.*
