“ *Judy was such an avid gardener. It was a pleasure to have worked beside her and learn about her gardens that she planned and planted with such care and knowledge. She was very giving of her expertise in the different species of plants with me. Thank you always for how you influenced my garden ,too! Love to her family and friends in the celebration of a good life that was Judy.*

“ A very special loving, caregiver to many people and a dear longtime friend. So many wonderful memories in Maryland and Florida, especially decorating their Christmas trees with a delicious dinner Judy and EK prepared. Florida trees were a bit more subdued..other friends know what I mean. Judy enjoyed the day trip Jeff and I took her on to Assateague Island this October and lunch in Berlin. She had two milkshakes and a double cheeseburger .. her first time to the island! She had a wonderful day, we did, as well. We will miss her so so much. My heart hurts for the friendship that I have lost and for the loss of E.K's soul mate.. may you Rest In Peace with Jesus.

“ Judy was a friend in Baltimore along with her sister Martha. She was a sorority sister in KD at the University of Maryland in College Park and a dear friend. We lost contact but occasionally reunited for a time of laughter and fun. I'm very saddened to lose her. She was one of the best. My deepest sympathy for her family. Kay Myers

Words can't express my sorrow for the loss of this classy lady. What a wonderful, kind, loving person she was from the first day that she met me - she made me feel welcome in the Erik K. Straub, Inc. family. Judy's goodness will always be a forever light to all who knew her and in their lives. She will never be forgotten! Deepest sympathy to Judy's family!
