Judy was so beloved. She was a phenomenal nurse and a wonderful medic. We were both part of the first paramedic class in Queen Anne's County back in the 80's. There was never a question about Judy's passion for caring for others. She will be missed. Much love. Laurie Beauchamp Kimbles

“ I have so many great memories of spending time with your family at the house on Broadway in Centreville. We could tell your mom anything and usually did - whether she wanted to hear it or not - most nights when she got home from her late shift at the hospital. I wish I could be there with you today to celebrate her life but know that you are all in my thoughts and prayers.

Miss Judy has been a part of our life and family as long as I can remember, she always had a smile no matter where I would see her, be it the Acme on the street or where ever, she would always ask about my family and would tell a story of when she knew my Aunt Joann. we were both EMT's back in the day and when she called for times on the night shift to dispatch we would end up talking for a while. I did enjoy that for sure. Heaven gained a good one!!!!

After reading such beautiful comments from co-workers, friends and family, it can only be said that Judy has left a well deserved and meaningful legacy. She, indeed was all of those things . We kept in touch by phone, checking in with family updates etc. had many laughs together and always ended up talking about our nursing careers, comparing notes,etc. So, Judy, I know you are in a beautiful place reunited with loved ones.

Rest there in peace.

“ I have many fond memories of my sister, Judy. During our many phone conversations, she made me laugh. She kept me informed of everything going on in Centreville and with our family. She was always there for everyone; especially, our parents in their final years and Esther Lee in her final days. She loved her children and was a wonderful mother and grandmother. Rest in peace Judy with Mother, Daddy, and Esther Lee. I will miss you so much; but, you will remain alive in my heart until we meet again. I love you.

Your sister,

“ We remember our Aunt Judy as a strong and courageous woman who gave freely of her time and energy. Her independence, dedication to family, and strong work ethic will always be admired.

We have fond memories of visiting her and our cousins, during our summer vacations as children. We enjoyed listening to her share family history and nuggets of wisdom while drinking her homemade iced tea.

She was such an incredible person who will be greatly missed. Our thoughts, prayers, and deepest sympathies are for her many family members and friends. We have comfort, hope and peace in the assurance that one day we will be reunited.

Many fun-filled childhood memories. Judy was the most sincere, kindest person you could call "friend". My deepest sympathies to the family.*

Judy, Nancy & Wade and Family. I am sorry to hear that your mom has passed. Your mom was a big part of my childhood as she was friends with my sisters in high school. Your mom was a warm and wonderful person who was always asking how everyone in my family was doing. We had many talks over the years and I will never forget her kindness for others. She was one of the finest nurses that Easton Hospital ever had. Thinking about you at this difficult time.
