“ I met Judy almost 20 years ago at an art show....we became fast friends sharing a love of nature and art. Over the years we got to know each other very well...and shared many good times. She was a kind, generous and talented individual. I am a better person because of Judy.....I will miss our conversations....and projects....and she always Encouraged and inspired me.

Judy...my whole family sends our love.  
We will think of you often....and smile.
