“ Dear Family,

I just found out that Judy is no longer with us. I am sorry I could not be there. I will always remember the nights of babysitting as they were extremely fun. All the fun times we had as neighbors. I know in my heart Judy, Eddie and Mr. Paul and Mrs. Rose are doing a lot of catching up. Judy you will be missed.##imported-begin##Judy Dadds Grasso##imported-end##

“ To all of Judy's family.....I miss Judy so much, seeing her almost everyday was sweet. I know she wasn't able to chat with us like the old days but I know deep in my heart that she knew she was loved by all who KNEW her. I will always remember the ladies retreat when her and Kim M were up all night playing scrabble and laughing so loud you could hear them all over the building :) She is at peace in heaven with her Lord and with a new body that has no pain. I'm sure she is strolling the streets of gold spending time with family and friends and cheering them up. May God give you peace when you think of her in love. “ To Judy's family: We have all lost a great friend and at such a young age. She was always so full of life and loved people. Her dancing skills will never be forgotten and it was a pleasure to attend a dance or function where she was, as you knew you would have a dancing partner. Our deepest sympathy and prayers are with you at this time. She was a trooper over the past few years and now at peace with God. May you find love, memories and sunshine in your hearts during this difficult time. God Bless, Gene and Lynda Palmatary###imported-begin##Lynda Palmatary##imported-end##
