“ *Jeff, Jim, Joe and Julie, I recently heard of your moms passing and wish to send my condolences to all of you. I have very fond memories growing up next to you and your parents. Your mom drove us to the pool, the library and to mass often and was very kind to me and my brothers after my mom passed. I will always remember how stylish and thin she was and her delicious fried chicken. I hope all of you and doing well.*

“*I am not sure I know a finer woman than John's mom, Mrs. Rosenwald. I got to know her through John who shared often about her strong, steadfast presence. I knew her to be classy, steady, brave, honorable. She was there for those who loved her. I look to her as an example of a life well lived. She has a lot to show for her presence on this earth. She truly made a difference.*

“ So sorry about your loss. I have such great memories of our time in Utica and your great picnics. Also the times Jack and Julie came to Washington College to meet us and watch Richie play basketball.

“ I didn't know Julia as well as I would have liked, but I did enjoy any time I spent with her. We had a very good time together at the opera in Washington, and I will never forget the evening she joined our wine group and admitted, to our amazement, to being the oldest one there. Consensus was she looked better than most of the rest of us.

Julia will be missed.
