

## Julianne Kline

March 19, 1958 - November 5, 2022

Julianne “Julie” Kline of Stevensville, MD, passed away on Saturday, November 5, 2022, at the age of 64 after a courageous battle with cancer. Julie’s family is at peace knowing her arms are wrapped around her beloved husband, Donald, and daughter, Meghan, in Heaven.

Born on March 19, 1958, in Sandwich, IL, the daughter of the late Bartlett and Joyce Jacobson.

Julie was married to Donald Kline on December 30, 1977. Married for 42 years they called Kent Island their home for 40 years.

Julie was a loving mother to her children. She enjoyed watching her son play sports and her daughters dance for many years. Julie loved going “home” to Illinois where she was able to spend time with her family in the Midwest. Traveling to tropical islands were among Julie’s fondest memories. Spending time on the beach, gazing over the crystal blue water with family and friends always brought a smile to her face. Julie was an avid animal lover, having had dogs her entire life. She could often be found snuggling with her most loyal companion, Lucy.

The affection and love she had for her children multiplied when she was around her grandchildren, Isabella & Jameson. You could often find “Ma”

baking cookies, reading books, enjoying donuts, and spending quality time with her grandchildren.

Julie is preceded by her beloved husband, Donald; daughter, Meghan; father, Bartlett, and mother, Joyce. Julie's memory is carried on by daughter, Allison (Joseph) Gavin of Stevensville, MD; grandchildren, Isabella Gavin & Jameson Gavin; siblings, Jackie Goldberg, Janice Coleman, and John Jacobson; and many other family members.

Private graveside service will be held at Broad Creek Cemetery.

“ Aunt Julie,

*It has taken me some time to comment here because I don't know how to convey how broken my heart is. This is something you and I would text or message about and I am angry that I can't get a response. At the same time, I am comforted knowing that you're watching over me, sending messages from Heaven in a million different ways that I know are you. I am comforted by knowing you are with Uncle Don and Meghan cheering on a Ravens superbowl run and planting wildflowers from above. I'm comforted knowing you are reuniting with your Norwegian ancestors and painting Spot's nails. I know there had to be a barking chorus of wagging tales to greet you! Beagles, cocker spaniels, cavalier king Charles leading the way amongst all the doggies waiting for the love and attention that you always gave them. I'm thankful you are no longer in pain. I hear your voice telling me my anger is okay and that it is okay for me to grieve your loss my way and on my timeline. I hear you telling me that my anger is part of my grief. Time. I know. Give it time. But the Jacobson woman in me is better at being stubborn than I am at being patient! I miss you and my heart is broken. I love you and will keep you in my heart always. I will speak of all the wonderful memories you are very much a part of and I will smile. And cry. And laugh. I will eat yogurt and beef stroganoff, toot my flute, talk Norwegian eats, pet all dogs, listen to Neil Diamond, sing sweet Caroline at the top of my lungs, cheer for Trey Mancini no matter who he plays for, proudly debate anyone that Tucker is the GOAT, never pass up a good game of euchre, and I will do it all in hopes that someone feel the same love that you have always made me feel. The world is a better place because you were here.*

“ My dear sweet little sister Julie: I can't imagine life going on without you. However I still talk to you every night and I'm sure you are paying attention. When you answer me back, I always pay attention to your advice!! You have left us all so many happy memories and lots of fun times, both in Maryland and Illinois. Jackie is carrying on your tradition with the phone calls every day. I could go on and on, but some of those fun times and jokes probably should not be shared! Let Don know how much I love and miss him and tell that sweet little Meghan that Aunt Janny loves and misses her, too. I bet all three of you are walking hand in hand, happy to be together, Give Mom and Dad hugs and kisses from me, too. I love you Sister and will think of you forever.

“ I'm sure it was an oversight that Julie's beloved son Vince, his wife Jackie and their two children Wyatt and Marylee were not recognized in Julie's obituary. Please add them to your prays.
