“ *Oh my goodness. This is a shock. Julie did an amazing thing for me: she put the love of my life (one of Rosie's pups) on an airplane and sent her all the way across the country to Seattle, WA. I'm amazed and awed at the trust she placed in me, a total stranger, nearly 8 years ago. We kept in touch over the years and I only found out today about her passing because yesterday was my dog's birthday and it seemed strange that Julie didn't respond to my text. I thought maybe something had happened, and indeed it had. This dog is by my side daily; there aren't words to express my gratitude. I wish Julie and I could have met in person. I hope she knows how much her kindness has meant to me.*

“ I met Julie through our mutual love of dog sports. When I started trialing in Barn Hunt she had Rosie. I loved watching their bond and team work. Julie inspired me to be a better person and a better dog handler. I was heart broken when she lost her heart dog. I then started seeing her again when she began trialing Pippa. We saw each other at Barn Hunt and Fast CAT. Julie was one of the kindest and sweetest people I have ever met. A bright light has left this world. If Pippa needs anything please let me know. bnovak@qis.net ”

Barbara - I too met Julie thru Barn Hunt and Rosie. I ran into her a year or so ago at a FastCAT event with Pippa. Heart dogs are so hard to loose and it was so nice to see her with her new dog. She so often told the story of Rosie “the rescue” and her love for her. May you see your four legged friend again and be at peace Julie. 🙏

Julie and I got to know each other when her Pippa and our Dixie would get together. Both dogs were of the sheep dog breeds, and they looked a lot alike. I remember Julie being so kind.

“ Julie was a very special person..always smiling or laughing and that is how I can picture her.....she was so full of life, energy and kindness.....haven't lived in Maryland for the last 35 years but texted with her once in a while....I am devastated that she has gone from this world..she had much more to give to others. Julie stayed with me in Woodstock for a short time and we had lots of fun with the horses and ponies...one time she came over with a driving pony, hooked him up and away she went....very fast and out of control.....she got him back but not before they wrecked on one of our hills...what did she do...enjoyed the ride and we laughed about this well broke pony 🐾🐾. Loved that young lady and always will ☐

I'll always remember Julie as fun loving friend who love horses and her dogs. We rode horse together for many years, Julie was up for any trail ride no matter how long. I will miss her laughter and free spirit. It was last year we were together, it seem like we were never apart, talking about the fun times with the horses. I will miss you Julie.
