“ I have to say every time I saw Julie she made me laugh (sometimes so hard I would almost pee my pants, lol). She will truly be missed by many. To her family and friends, I hope your memories of time spent with her help to ease the pain and sorrow you feel. I wish Sam and I could be with all of you today, but we are there in "Spirit", "GOD Bless"!

“ To Dickie, Leslie, Johnny, and Family. I am so, so sorry to hear of Julies passing. She was such a bright light; always smiling or laughing, and always positive. She and I got to know each other really well on our 14 hour drive home Jessi's Graduation at Clemson. The last time I saw her was when she and Dickie came to New Smyrna Beach and we all had a few meals together. My sister Lynn was here visiting and we all had so much fun, mostly due to Julie. I am sorry I cannot be there in person for her funeral, but please know I am there in spirit and will be watching from my computer. I wish I could be there. I loved that girl! Big hugs to you all.

“ Julie came to my water aerobic class with her friend Sam and it was my first class at this facility. I wouldn't say she and Sam were outspoken but honest in their opinion of me. I will always remember her with "what do you think this old lady can do for us"? I loved it when she told me later that I had kicked their butt. They were my best students. I will always remember you. Linda Doub

“ *Dickie, Leslie Johnny and family ,there aren't enough words to express our sympathy but hope you feel our love. I am one of the lucky ones who got to have our incredible friendship for over 35 years. So many memories with Jules through good and bad sad and happy and downright laugh till your side hurts or you pee your pants. Lol. Which of course could happen cause if she was driving she wasn't stopping ...Oh how she hated when we drove to work together and I'd play American pie. My heart is broken Jules and I'll miss you forever ..but until I see you again. I will reminisce with all your friends and family and through your memories you'll be with us for ever. I know your up there cracking your jokes and watching over us all. God bless you my friend until we meet again. Thank you for being my friend. Xoxo 🍀*
