“ June and my Mom were good friends in St. Michaels during the 70's and 80's. I have fond memories of them shopping for plants each Spring and buying violets to add to their violet gardens. June was a beautiful lady who brightened the lives of all those she touched. My thoughts and prayers are with the family.

“ I first met June Snider when I went to work in the State's Attorney's Office in 1975. She was the Administrative Assistant, the only full time employee of the office. I believe there are now at least five to seven people doing her job.

What I remember the most, however, is her compassion. Whether it was for the victim of a crime or a mother trying to get child support, June was always concerned that everything possible be done to meet the person's need.

We lost touch in recent years but I was very sorry to hear of her passing.

My thoughts and prayers are with the family.
