“ *Mark, your Mother was the most amazing mother I ever knew. She always welcomed everyone into her house with love and treated everyone with such great kindness. She was always happy, too. Even though I did not visit often, you always reminded us via Facebook what she was up to. She is truly going to be missed.*

“ Dear Family, June will forever be remembered for her kind and sweet and gentle nature. She remains one of the most generous of spirit individuals any of us have ever known. She joins the other GRAND DAMS of our acquaintance. God Bless her and all of those she held dear. You will ALL have a REAL ANGEL watching over you.  
Love,  
Lilly
