“ One of my fondest and most cherished memories was a long night Me, You and Em spent together. I remember you trying to put Ashton to bed 3 or 4 times but he kept sneaking out of his room and before you knew it he was snuggled right up to you! It was like that was the only way he was going to sleep that night in his daddy's arms...hangin with the Big Kids! We talked, laughed and joked for hours, we didn't need television or facebook or cell phones to keep us entertained...the company of each other was enough! I promise to always remember you smiling, because that smile always lit more than the room. I will miss you my friend...until we meet again. Much Love xoxo ~Amanda

“ *I cant just share ONE memory...You were a great husband and a great father. I cant believe you're gone. I hope you knew that no matter where our roller coaster took us I ALWAYS loved you and I will never stop. You always knew how to make me laugh no matter how much I didn't want to. I would give anything to get to argue with you again...or find your dirty clothes on the floor and huff about it...or to make you dinner and clean up after you...I will miss you so so much, not a day will go by where you wont be on my mind*
