

Kaitlin Elizabeth Gorrow

November 17, 1988 - January 22, 2026

Kaitlin Elizabeth Gorrow passed peacefully Thursday, January 22, 2026. She was the daughter of William and Barbara Gorrow, their most precious gift. Though her life was a brief thirty-seven years, she packed a lot of living into them.

She was a perpetual learner and researcher having earned several degrees: a BS in Sociology from Franklin and Marshall College, a BS in Psychology from Wesley College, an MS in Forensic Psychology from Marymount University, and finally an RN from Chesapeake College. Her most recent assignment was as a labor and delivery nurse at Christiana Care in Newark, DE.

Kaitlin was an adventurer having traveled alone to Japan twice. She will continue her adventures by having her ashes spread in the Nordic waters. She is preceded in death by her grandparents William and Virginia Gorrow of Florida, Margaret Cooper of Worton, and Harrison "Bud" Cooper of Chestertown. Her very special kitty, Robert, also predeceased her. She is survived by her parents Bill and Barbara Gorrow, her Aunt Cynthia Bryden, Uncle Will Stap, Aunt Wendy and Uncle Bart Quinn, Uncle Wayne and Aunt Teena Gorrow, cousins Christopher Lynch, Jamie Clark, Jordan Clark, Kendall Almaguer, and her two precious cats, Annie and Pippa.

Services will be held on Saturday, February 14, 2026, at 11:00 AM at Fellows, Helfenbein, and Newnam Funeral Home 130 Speer Road Chestertown where a reception will follow.

In lieu of flowers, donations may be made to the Animal Care Shelter of Kent

County, 10168 Worton Road, Chestertown, MD 21620.

“ Kaitlin ! Shorty! I always admired your smile and tenacity after a 12 hour shift at MedStar! It breaks my heart because deep down despite being fatigued and not always 100 % you always gave your patients the best care in the world. Kaitlin! You have given me the courage to live life because life isn't promised. I'm crying as I'm writing this because it isn't fair. Deep thoughts and prayers to your family and that silly cat of yours ! Oh Kaitlin! I'm heading to Japan soon with Adrianna and you will be missed because I really wanted you to come with us! I was telling ADrianna how brave you are and the true definition of miss independent! Hugs and kisses my friend Until next time ❤️

“ I remember when Kaitlin and I first met. I had been at Christiana for about 3 weeks, and I was getting report from her. I introduced myself, saying I knew I had seen her but had yet to officially “meet” her. She quickly said, “Yes, I love your flowers and glasses.” She was so kind, quick to help out, and so meticulous and smart. We’d go for breakfast after work, and she’d say, “I don’t drink (we did though), but I love yummy breakfast, it’s my favorite (she’d get the French toast! With lots of syrup!).” She’d say she had a sweet tooth but had to be careful because of her health. You’d never know her health was in despair as she was always bee-bopping around with her fanny pack stocked and ready to lend a hand. My most fondest memory is one of my last shifts; she specifically came into my room to see if I needed help. She knew my physical health was not strong. She paid attention and somehow knew I needed help right when she appeared which seemed to be out of nowhere. She had a minute to breath yet here she was trying to take care of me. Her compassion was her best quality...whether she was caring for her patients or concerned for her coworkers. She was not only a big part of the team but cared so much for her patients. She had a way of getting information from her patients that was so nonchalant because her patients trusted her. I trust and believe that Kaitlin is no longer fighting and suffering in silence. She couldn’t be a part of this world anymore. She is free of all that ailed her both physically and mentally. On one of our breakfasts, this female red bird visited at the window. This was a premonition as Kaitlin is now free like the cardinal. She will be in our hearts forever ❤️💔

“ *As your 4 yr younger blood brother, I'm saddened. I wanted to try to be more in the picture with my two boys who are 2 months and three years old. Unfortunately it won't happen and won't in this life. I use to have you in my baby book and dreamed of meeting you. I'm at a lost. What I can say her parents are good people, never met them but faithful know they are, if they took care of my big sister. Thank you. It must be ineffable of how they feel but I feel the lost also. Prayers for healing in Arizona*

“ *Please accept my deepest condolences on the loss of Ms. Kaitlin. She was such a sweet and wonderful person. I had the pleasure of working with her at the hospital, and she was always one of the people I truly looked forward to seeing. Her kindness, positivity, and warmth made every day better. I'm so glad she had the chance to travel to Japan recently—it makes me happy knowing she experienced that joy. She will be deeply missed.*
