“ *So sorry to hear about Karen. She was such a delight. My mom (Clara Marie Chance) shared a room with Karen. My mom was 93 and having a difficult time when she went to the home. Karen was so determined to bring mom out of her sadness. I will always be grateful for Karen's concern over my mom, her stories, and her laughter. Karen was just who Mom needed at that time in her life. I wish I had the chance to thank her. Thank you Karen.*
