“ My sincere condolences to Karen's entire family, her friends, and her neighbors. I met Karen and Mike through their business. It was clear her heart and soul was devoted to her family, which included the waterman who her family worked closely with. I'll never forget looking down into the audience during the public hearing on the legislation that would save their business, seeing her sitting in the front row, with a beautiful silk scarf on her head. Her quiet strength was incredibly impactful. I'm sure this strength has been with her in recent months, and I pray her strength lives in those who are mourning her passing. May your soul rest in peace, Karen, and your memories and spirit be with us always. Sincerely, Amanda Fiedler

“ Karen was such a sweet spirit and always graciously allowed my inquisitive kids to come examine her soft crabs when they were younger. She was a lovely person and we will miss seeing her out in her yard tending to her daffodils. Prayers of comfort to Mike and her entire family.
