“ *When our daughter, Cari, was younger, she had a Kool Aid stand. Karl stopped by a had some with her. He made her day. Karl signed a baseball, To the Kool Aid Kid and gave her a picture of him refereeing a boxing match. Turns out a friend of ours, who boxed also knew Karl. Shows what a small world this really is. We are sorry for your loss, Karl was a good and kind soul. Matt & Sue Ellison*

“ *Mr. Karl was a great man. I got to know him well over the last 30+ years, and enjoyed his friendship. He told lots of great stories about his experiences, especially the boxing stories. He served his sport well as a referee, judge, and commissioner. He brought in the Heavyweight Championship Belt into Love Point Deli for all other us to see. So neat! I will cherish the personalized signed picture of Larry Holmes that he gave me years ago forever. God bless your family at his time.*
