*It has been a long time since we have seen each other. I remember fondly our visits at Granny's and your letting me stay overnight the many times my car broke down my first year of teaching. I recently saw a picture of a barbecue with us sitting on a glider with Tikki. They were fond memories. I felt so very sad when both your parents died the same year as my mom, our senior year. I pray you are at peace now and I wish Herbie comfort at this very sad time. Susan Fetter (cousin)*

“ *I was so very saddened to hear of Fuzzy's passing. She was one of the main reason's why I decided to join the D5 Bridge and her warmth and guidance will be sorely missed - certainly not just by me but by all of D5.*

“ Your love and dedication to D5 and all of the boating community will never be forgotten. Prayers to your family and friends as the upcoming days will be difficult and sad. You have left us with so many wonderful memories of you and how you loved what you did. I will always remember how you said, "Just give me 5 minutes to talk to you " Then you hooked us :) We will make you proud of us but things will be so different. Who will do Chili night? You made the best chili and your hospitality was welcoming to all who dropped by. Your legacy will live on through the squadrons and all those who love you. May you rest in eternal peace.
