“ Mike and Steve,  
I was so sorry to hear of your mom's passing. I have fond memories of time spent with your family in Maryland...well maybe not the time that someone decided to steal some corn from a nearby field on our way back to the house. Bud was NOT happy and made the boys bring it all back and apologize. Much of what made your house so warm and inviting was Kate's generous spirit. I can feel her hugs still and if I listen hard enough I can still hear her loving voice and infectious laugh. I know how she made me feel welcome in the home as the youngest and I'm quite sure she was one amazing Grandma. She will be missed. You and your families are in my thoughts.

“ Steve and Mike,  
I am sorry to hear about your Mom's passing. I know that Kate was an amazing Mom, and I feel fortunate to have been able to spend so much time with your family growing up. Many of those fun times are etched in my memory. I have been connected to Kate recently through my Mom - it sounds like Kate was very involved with all your kids and also a super Grandmother. Sending prayers your way.
