“ Thinking and praying for you Lauren and your family at this sad and difficult time of losing your Mom.

*Kathy was always hard-working, independent, pleasant with a beautiful smile. She was so hospitable to ALL of us when we would come visiting from Canada. She so loved living by the shore!*

*Kathy and Bob had a great connection and would chat often taking turns calling one another before he passed away. I know that you'll miss her dearly.*

*Our consolation remains our cherished memories and gratitude to the Lord for giving us family to love.*

*I remember my first trip to Baltimore with my in laws Bob and Jackie. Your Mom and Dad invited us all to stay with them. I was so well received into your family Lauren. From the crab feast, family get together a visit to the fair with your boys and our 4 year old Ty. I'm pretty sure he got to be a dare devil riding on those big rides if you remember.*

*We are sending you all our deepest condolences and much love during this difficult time. We will forever Cherish that time with you all. Kim, Robby and Ty.*
