“ When Alabama sang, "Oh I believe there are angels among us
Sent down to us, from somewhere up above
They come to you and me, in our darkest hours
To show us how to live, to teach us how to give
To guide us with the light of love" they were singing about you.

I love you Kathleen and will miss you always.

“ I was saddened to learn about Kathleens passing, I have always enjoyed her company and the stories she would tell about her past with MaryAnn, Paula and the bowling lanes. She was always so helpful to everyone around her, talking to her as she was making the omelets at the Elks, you could tell she loved to be helping out. Playing bingo with her was always fun, I will always think of her when MaryAnn and I go to bingo. Heaven has a new Angel up there watching over all the people she loved and the many animals she loved too!
