“ *What a beautiful lady.  
I knew your dad and mother since 1988.  
Your dad and I worked at O'Connor Piper  
& Flynn til 1996. When they moved to Eastern Shore I helped take  
all that junk  
your dad had in the garage off his hands.  
Your mother was ecstatic!!! When your  
mom retired and they moved I visited them often. I had met the  
twins and Johnny but they probably do not remember me. I just  
learned of your  
mom's passing. I wish I could be with  
you but I can't.  
You are very fortunate to have had such  
parents.

“ Dear Tom, Lorraine and family- We are running parallel courses it seems. You often expressed your concerns, Tom, for your mom as did I for mine. My mom passed away on the 10th and she was a Kathleen as well. Her obit is on this site too. So, the grief is still fresh and will continue to be so for a time to come. Please know my prayers are with you and your family and for your mom. God bless always, Bev###imported-begin###Bev Coyne###imported-end##

“ They broke the mold when they made your mother (Aunt Kathy). She was one of a kind and boy did she love her kids and her siblings and all their family. I pray that all of us takes a part of her into our own lives to know what it is to live and love life. She will always have a special place in my heart.##imported-begin##Michael Tiernan##imported-end##

*It is difficult to express how much we will miss your Mom. She was a wonderful, strong, dedicated person, and she should definitely be a role model for all of you. The world will not be the same without Kathy Moore.*
