

Kathleen White

April 11, 1936 - July 20, 2022

Kathleen J. Brackett White passed from this world on July 20, 2022, at her home in Queenstown, MD. She was 86.

Born in 1936 in Brooklyn, New York, Mrs. White was the daughter of the late Warren and Vivian Brackett. She received her Bachelor's Degree in 1958 from Washington College and in 1980 her Master's in Education. In September of 1959, she married Maynard P. White, Jr., and they resided in Chestertown, MD, restoring an old home, "Sterling Castle," in town.

In the early 1970s, Mrs. White began teaching at The Gunston School where she worked with students who had learning disabilities and was responsible for the international education students' program. Following retirement in 2003, she taught at Wye River Upper School. In 1983, Mrs. White and her husband moved to Queenstown, MD.

She was a member of Zeta Tau Alpha women's fraternity and enjoyed her family, students, horses, and deer. The highlight of her later years were her grandsons, Matthew and Wesley. From their birth until her passing, they were her purpose and passion. The impact that she has made upon them is immeasurable and will survive through the years.

Kathleen was truly the most gentle and compassionate soul that one could

know, and her demeanor of caring for all affected so many across this globe to this day. She educated and influenced so many generations of men and women of all creeds and races from around the world and to this day remained a close contact to many.

She is survived by one son, Maynard P. "Chip" White of Atlanta, GA, and his wife, Stormy D. White; and two grandsons, "Matthew" W. White and Joseph "Wesley" White. She is also survived by one daughter, "April" W. White of Queenstown MD. She was predeceased by her husband, Maynard "Press" White, Jr., in 2002.

All services will be held privately.

“ *I first met Khaki when I was a student at Gunston. She and I were colleagues at Wye River Upper School. She would share her wisdom and patience with me before and after my classes and always had time for a robust literature discussion.*

She was a familiar and kind presence in my early 20s when so much of life was still uncertain.

“ *April I am struck with sadness to hear of Kakie's passing. I know you were always there for her and she for you. Your Mom is indeed a caring thoughtful person, giving away small gifts that she discovered in her travels. She loved her WRUS students and team. I hope you are doing well enough at this sad time. Fondly, Chrissy*
