“ *My sincere condolences to all Kitty's family. She was such a blessing to everyone. We are not related by blood but rather by heart ❤️ she has supported me through some of toughest times ever since I can remember, always knew she was there with an open door. Skyler cares deeply for Kitty& family as they adopted us as their own& we were so very blessed to spend holidays with them. Skyler felt treated as a grandchild& made her feel loved. I know this is long but Kitty had such an impact on so many lives& will continue for ever in their hearts ❤️*

“ I was very sorry to hear about Kitty passing. In recent years I would run into her and big Kenny at Denton Wal-Mart. We'd chat about the old days and sometimes she would get a little wistful and teary eyed but it was always a nice conversation. She would always tell me she thought alot of me and loved me.
