“ Sending light and love to Sherwin and all of Peggy's family. Her spirit must be out there, because just yesterday, the day of her memorial service, our Christmas card was returned undeliverable. That caused me to wonder about a forwarding address, which brought up this site. We met when Bob and I aboard "Wildwood" were following "Esprit" across the western Caribbean. We tandem cruised through the eastern Mediterranean and so much more. I've been sorry that we lost contact in recent years. Now both Peggy and Bob are gone. Farewell beautiful spirit. Sherwin and Peggy brought light and adventure into our lives. Such a wonderful time for the four of us. Joan Handschumacher - handschuj2@gmail.com.

“ Peggy was a warm, funny, & kind spirit. She was one of the first people to reach out to me when I joined the Chester River Chorale in 2016. As current CRC President, I appreciate her many years of devotion to and work for CRC. As a fellow alto, I will always miss singing with my friend. Rest well, Peggy; and my condolences to her family.

“ I referred to her as “Nana” 🤍

I met her when she came to the lab for blood draws and I always ended up with her in my booth. She immediately adopted me as her “granddaughter”. She took down my number when I informed her that I was in nursing school and was taking my boards.

“Text your Nana when you pass , I know you will Ms. LPN!” We we’re supposed to go out for ice cream to celebrate when I passed but schedules always collided and we never got a chance to 😞

Her last text to me was in January and she ended it “ love you and miss you.” 💕 Peace and comfort are being sent to the family during this difficult time. she truly was a blessing to me 😇

Peggy is already much missed by the Chestertown Chorale. She was such a welcoming presence among the altos, as well as a strong musical leader. Thank you, Peggy, for all you did.
