

## Kathryn Jennifer Quizhpi

August 1, 2003 - January 29, 2016

Kathryn Jennifer Quizhpi of Chester, MD, lost her battle to cancer on January 29, 2016, at Children's National Hospital in Washington, DC, while being surrounded by her loving family. She was 12.

Kathryn was born on August 1, 2003, in Chestertown, MD. She was the daughter of Fernando P. and Maria A. (Astudillo) Quizhpi. She grew up in the Chester area and attended Stevensville Middle School. Kathryn was known by her family and friends to be kind hearted, caring, friendly, funny, and witty. Everyone knew her by her constant smile that brightened any room. Even when things were difficult for her she always smiled. She wanted to be friends with each and every person she came in contact with. She enjoyed helping others and stood up for what was right. She was artistic and loved to draw pictures for people around her.

Kathryn enjoyed social time such as going to the movies, painting bowls at Clay Bakers, shopping at the mall with her friends, going to beaches, and traveling to places not visited before. Her favorite activity were the opportunities to visit her family's home in Ecuador.

In addition to her parents, Fernando and Maria Quizhpi, Kathryn is survived by her brother, Mauricio Quizhpi; sister, Paola Quizhpi; brother, Justin Quizhpi; niece, Madelyn Gonzalez; maternal grandmother, Dolores Hoiracochoa; and

paternal grandmother, Rosa Quizhpi.

A visitation will be held on Thursday, February 4, 2016, from 4-8 pm at the Fellows, Helfenbein & Newnam Funeral Home, P.A. in Chester, MD. A Mass will be held on Friday, February 5, 2016, at 11:00 am at St. Christopher's Catholic Church in Chester, MD. Burial will follow at Stevensville Cemetery.

“ Kathryn was a beautiful girl who was artistic and loved helping people. She had a positive outlook on life and always tried to do the right thing. Everyone who knew her knew her as the kind, out-going girl with a heart warming smile. She showed such kindness to her younger niece. Kathryn was a friend to everyone and she will be missed greatly, but she will not be forgotten and her memory will be forever cherished. I remember one time in fifth grade, Kathryn got a chance to go to school. She was so happy to be back with her friends and classmates, and at recess, a big group of girls ran over to her and we all played a game. The love and support that the community has shown is truly amazing. While Kathryn was receiving treatment, her best friends made videos with her classmates supporting her. Even people who did not know Kathryn personally or at all were heart-broken by her death. Kathryn was a true friend and a beautiful and kind young lady. My condolences go out to the Quizhpi family.

“ *Kathryn was a very sweet girl she always used to motivate me when I was sad. And I used to help her when she was sad. When she felt down and could not sit down at the table at lunch when there was too many people I would let her sit in my spot. Me and Kathryn had some of the same problems and we helped each other. I miss her very much. And I did not see her very much and I did not get to say my last words to her. I just wanted to say THANK YOU!!!!!!*

“ *Kathryn was a sweet, kind hearted, funny and a great personality. Every time I saw her she would put a smile on my face. She was a girl that would make you laugh when she said something funny. When we became friends I knew that we would be friends forever. One time she gave me a keychain at lunch and I was like you did not have to do that. But she said you are my friend that's what friends do. My heart is broken and my heart will always be broken but we will always be friends My prayers and my condolences go out to her family*

“ *Kathryn was a beautiful girl with the most amazing spirit, she was so kind and thoughtful and would give to her friends before she would ask for anything for herself. I know that Caroline, Karleigh and Mrs. Brandi will miss your sweet smile and kind words. Our hearts are broken. We will continue praying for your family.*

Juanita Cowgill

“ Back in November 2015, my daughter told me she was taking her "Pirate Bucks" to school to give to her friend, Kathryn, so she could get Christmas presents for her family. I didn't get to meet her personally, but my daughter says she was one of her sweetest friends and although she will miss her terribly, she is glad she is no longer in pain.
